I do hereby declare that Thursday, December 1st, be set aside as

S-D DAY

SAFE DRIVING DAY

Every citizen of Raymond is hereby asked to pledge that he or she will accept full personal responsibility for complete adherence to the following basic safety principles:

1. Observe the letter and spirit of all traffic regulations.
2. Be courteous to every other driver and pedestrian.
3. Be alert when driving or walking.

HELP KEEP OUR COMMUNITY FREE OF TRAFFIC ACCIDENTS

S-DAY has been proclaimed in Canada by Prime Minister St. Laurent and in Alberta by Premier E. C. Manning

FRANK R. TAYLOR
Mayor, Town of Raymond

Mrs. Harry Fairbanks spent last week in Lethbridge at the home of her eldest daughter and son-in-law, Mr. and Mrs. Clifford Peterson, who are receiving congratulations on the birth of a daughter, Barbara.

Touring The Town With Amy

John Zobell Wins Firemen's Ball Radio

The annual Firemen's Ball was held on Friday, November 18, with only a slim crowd present until late in the evening when a group of young people arrived after attending another dance.

Mayor Taylor extended a welcome to all present on behalf of the Town and the Firemen.

Merchandise donated by the local merchants was drawn for during the dance, with the main prize of the evening, a mantle radio, being won by John Zobell.

The citizens of this community should give a lot more support to the firemen at this annual event — any money that is made is used to buy more and better fire-fighting equipment to protect Raymond homes and buildings.

Grant Erickson and his orchestra supplied the music for the dance.

Tam Kunimoto And Keiki Terakita Wed

On Saturday, November 19th, Miss Tam Kunimoto of Magrath and Keiki Terakita of Welling were united in marriage at a two o'clock ceremony in the Raymond Buddhist Temple with Rev. Nekoda officiating. The bride, attired in beautiful bridal satin train, was given in marriage by her brother, Steve. Miss Peggy Kadanaga was bridesmaid while Tad Kawasaki supported the groom. Little Misses Judy Mikado and Jeanne Terakita were the dainty flower girls.

At five o'clock a reception for about one hundred and seventy-five guests was held at the Lotus Inn Banquet Room in Lethbridge. Mrs. Robert Mikado was in charge of the Guest Book and Mike Ohashi and Mrs. K. Kaga were masters of ceremonies for the extemporaneous program. The bride and groom, attired in matching suits left following the program on a motor trip to B.C. and the U.S.

Union Jacks Start Season With Win

Contrary to last season's beginning, the Union Jacks vaulted in a one game lead over the Magrath Rockets. Green Acres currently share top spot with the Jacks winning their league opener with Cardston by a neat fourteen points.

Although Jacks have been short changed of three main liners it didn't bother them against Rockets as they moved into an early lead and never bothered to look back until the final bell. Rockets put on a threatening rally in the final frame although they never came closer than three big digits.

Big Al West showed he hadn't lost his last years form as he swept through the opponents defences on many occasions making his efforts count for 23 points. Brother Larry was next with a solid 12 followed by Flexhaug and Gough with 11 and 10.

For Rockets, veteran Wes Rice, lead the way with 19 while Tye Alston followed with 15.

The fouls were well distributed between both teams. Jacks committed 21 and Rockets followed in order with 19.

Lineup:
Raymond - West A, 23, West L, 12, Gough 10, Flexhaug 11, Attwood 7, Ralph, Dahl 1, McClain Larsen. Totals 64

Magrath - Matkin 10, Rice 19, Alston 15, C. Alston 5, A. Anderson 4, Cook 6. Total 59.

Special Musical Program To Be Held

Following is a list of the music to be presented at a special four-ward meeting at the Stake House on Sunday, December 4, at seven o'clock.

The program will be made up, almost entirely, of the original works of Chris Tollestrup.

The opening song "We Thank Thee O God For A Prophet" will be sung by the choir and congregation. "As the Dew Fall From Heaven" by the choir. An introduction to each anthem will be given by Pres. J. O. Hickson. "Who Is This Man of Grief?", a baritone solo by Joe McLean. "Hear O Ye Heavens" will be sung by the choir with Deb Oler and Marie Matkin singing the solo part. A soprano solo, "Lullaby" by Evelyn Melchin. "The Lord Hath Brought Again Zion" by the chorus with Karl Gehmlich singing the solo part. Joe McLean will sing the solo part in "Glory and Honor" and the chorus will sing "A Poor Way faring Man of Grief". "Spring is Here" will be sung by Marie Matkin and the chorus will conclude the program with "This Is The Place" with Joe McLean singing the solo.

Much work has gone into the preparation of this program and all who attend are promised a very special evening.

Word has been received here of the death of John Elder in Salt Lake City. Mr. Elder was killed when his car was struck by a speeder on a side road. Mr. Elder formerly farmed in the Raymond and Barnwell district. He was the father of seventeen children.

Entertaining Program Featured At Stake Harvest Ball

Despite the cold weather a large crowd was present at the annual Stake Harvest Ball on the 23rd of November at the Recreation Hall.

Dean Rolffson was the master of ceremonies for the following interesting program: prayer by Bishop M. Holt; address of welcome by President J. Golden Snow; vocal trio by Carol Bullock, Ruth Gehmlich and Marcia Jones; piano duet by Katherine Keeler and Margaret Bridge; the boy from the colony who is sometimes called Arldige Hill entertained with tales concerning the local gentry; accordion duets by Mr. and Mrs. Pruegger of Lethbridge; these numbers from Magrath were introduced by Douglas Harker, saxophone solo by Grant Erickson; tap dance by Sharon Harker; vocal trio by Mrs. Fletcher, Mrs. Taylor and Mrs. Halladay; violin solo by Nyal Fletcher.

A delicious lunch was served buffet style by the Mutual Stake Board.

Dancing was enjoyed for the balance of the evening with the Grant Erickson Orchestra supplying the music.

Benediction by Wilford Meldrum.

Wednesday afternoon ten neighborhood children gathered at the Allan James home to watch television. After the programs Mrs. James served refreshments.

Mr. and Mrs. D. A. Bennett left recently for Edmonton where they will visit at their daughters' homes, Mr. and Mrs. George O'Brien and Mr. and Mrs. Kitchen.

Local United Church Members Hear Bible Society Secretary

The Raymond United Church members were privileged on Sunday, November 20th, to hear the Reverend Mr. Wood, Secretary of the Alberta Section of the British and Foreign Bible Society. Rev. Wood's address was most enlightening He explained that the work of this Society is only one phase of the missionary work carried on by all Christian churches and is undenominational.

Today the Bible ranks first of all books printed in the English and should be shared with the whole confused and troubled world.

In 1804 when this British and Foreign Bible Society was founded in England the Bible was printed in 72 different dialects and languages. The churches at that time felt that there was a need of a wider circulation of the Holy Scriptures. They realized that there were 2,500 dialects or languages spoken in the world that many translations would be slow and arduous tasks and that with the growing spread of the printed page there could be many duplications.

Today after 151 years of labor there are 1100 languages or dialects which have all or at least one Book of the Bible translated for them. These 1100 dialects cover 80% of the human race.

In 1954 the Bible Societies of the World, which now number 20, distributed Bibles or parts of the Bible, but this takes care of only 50% of the demand since during each of the last five years there have been fifteen million adults who have learned to read.

Communist Russia having realized the potential force of the printed page is bombarding countries such as South Africa, India, China and Ecuador with literature and books on Communism in their native languages. Russia is making use of their opportunity to supply these new readers with plenty of low-cost reading material — an average of 22, 500,000 copies are distributed each year. We must do the same and our weapon — the Bible — is much more powerful.

More About The Stratford Players

News is coming thro of the success of the Canadian Players from Stratford Ontario. If the sale of tickets at Simcoe for the opening night of Canadian Players production of "Macbeth" is any indication, the Company is in for a really big year.

With the box office opening last Thursday Mrs. Margaret McGrath in charge of ticket sales for the Norfolk County University Women's club who are sponsoring the show, reports that all tickets were gone by Thursday night. Canadian Players presented G. B. Shaw's "Saint Joan" in Simcoe last year. After a T. V. appearance in Toronto, the company will present their production of "Macbeth" at the 1200 seat Eaton Auditorium where the performance will be under the Patronage of Lady Eaton, Chief Patron of the Canadian Players.

From Toronto the company will leave on a 300 mile jaunt to Saratoga Springs N. Y. for the United States premiere and the beginning of their more than 30 dates in the U. S. before returning to Canada on November 23rd. After this date the Company starts their Trans Canada tour from Winnipeg to Victoria playing in Raymond February first.

Hospital Board Express Views On Chronic Hospital

Several weeks ago there appeared in the Lethbridge Herald an article from the Raymond Correspondent regarding the proposed Town Council's reaction to the proposed Chronic Hospital to be established in Lethbridge for the good of all the Southern Alberta District. According to the report the Council was not in favor of joining such a cooperative venture for the setting up of such a Chronic Hospital. The Board of the Raymond Municipal Hospital District would like to bring a few comments to the attention of the rate-payers of the District about the issue at hand.

Firstly, the hospital Board feels that the Council should have contacted the officers of the Hospital to find their reactions before the Town Fathers vetoed the whole idea. The Hospital Board is vitally concerned with this issue. They are the ones upon whom the responsibility for the care of sick people rests.

It was stated in the news report that the Local Hospital was looking after the Chronic and aged patients quite satisfactorily and therefore another Hospital was unnecessary. We would like to inform the Town Council as well as others that they seem to be mistaken about the purpose of a Municipal Hospital. According to the Hospital Act under which our Institution operates only active treatment

W. I. News

The regular meeting of the Womens' Institute was held at the Legion Hall.

Roll call was an article on "Peace."

The W. I. sent one hundred pounds of clothing to the Unitarian Society of which Dr. Hichmanova is the head.

A paper on citizenship was given by Lyman Jacobs. In brief Mr. Jacobs said: Rome gave us law - Greece gave us culture, Britain gave Parliament.

Now we take out citizenship papers to belong to a country. Since 1948 we can be Canadian citizens, before that we were British subjects. In a country the first responsibility is to keep law and in order to protect our lives and our property. As individuals we cannot do this. Our laws also see that justice is administered.

We should use our rights to vote and help elect men in our offices who are responsible. The door prize donated by Mary Thompson was won by Fannie McBride. A birthday gift of two tea-owels, embroidered and donated by Doris Hall were auctioned to the highest bidder, Jennie Allan.

Mr. and Mrs. Gary Kirkham of Blairmore were recent visitors at the home of Mr. and Mrs. Joe Kirkham.

The CWL of the Sacred Heart Parish recently held a very successful, and delicious, supper at the Opera House. A sale of work and a bingo game were also held. Mrs. Linitski won the money-clad doll.

Kay Cook and his friend Orman Earl of Edmonton were visitors for the Remembrance Day week-end at the home of Kay's parents, Mr. and Mrs. Ray Depew. The boys also attended a dance in Barnwell.

Slicing Record Broken During Present Campaign

We recently made a call at the local plant of the Canadian Sugar Factories Ltd. and were given some interesting facts and saw, among other things, the marvellous machine in the icing sugar department, which handles the icing sugar, doing the work of many hands. It is an inspiration to see it in operation.

The rated capacity of the mill for slicing beets is 1475 tons per day with a daily average of 1578 tons. All past records were broken recently when the boys put through 1714 tons of beets in a 24-hour period.

The factory bought 115,000 tons of beets this year in the Raymond area with an initial payment of \$10 per ton going to the grower. After all the sugar is sold the profits are shared, with the farmer getting 63% and the Company getting 37% of the final payments.

About 315 pounds of sugar are made from a ton of beets with 4800 bags of granulated sugar and 300 bags of icing sugar being made each day.

There are 165 men employed in the mill who work in three daily shifts. The campaign is expected to be completed about the seventh of December.

For the courtesies shown we wish to thank those who gave us information and showed us around, Joe McLean, Jack Kenney, Bill Witbeck and others.

Melby Lybbert Heads Stampede Association

The first attempt this year to hold the annual meeting of the Stampede Assn. was a failure due to the fact that only about five people turned out.

The second try was more successful and after reports had been given by the executive, Melby Lybbert was elected President of the Assn. for the coming year. Max Hamilton was re-elected Vice-President with J. O. Turner elected as Director. The executive is now made up of the above, Mel Depew as Past President; Ray Depew as Stampede Manager; Gerald Snow as Director; Leonard Watson and Dave Douglas as Treasurers; Mutt Ralph and Bruce Galbraith as Town representatives. Other members will be appointed later.

The Stampede Assn. spent about \$1500 last year in fixing up the chutes and corrals at the grounds and is in good financial condition. Plans are now being made for more repair work to be done when Spring arrives, and if the weatherman plays ball a banner year is anticipated for 1956.

Hospital Auxiliary Notes

The November meeting of the Hospital Auxiliary was held on Wednesday, November 16 at the local hospital with President Dick Cooper extending a welcome and expressing gratitude for such a fine turn-out at the last meeting of the year.

Business of the day was taken up: the sale of tickets on the Christmas Cake was going good, the cake will be drawn for on December 17; suggestions were made for having all members of the staff and patients have a more pleasant time at Christmas. Verland Leavitt gave an informative talk and demonstration on the making of gifts for Christmas. This was greatly appreciated by all present.

Viola Meeks and Eva Ralph request all ladies selling tickets on the cake to have their books and money turned in to them by December 12 so they can arrange the draw.

The next meeting will be held on January 18th and all members are requested to attend as this will be election day.

For Della Woolf's birthday on Friday, November 18th, Verland Leavitt had Vanda Grey and Melba Holmes in to spend a cozy evening visiting and doing handwork.

The evening was brought to a close with refreshments being served.

Stake Rose Prom Well Attended

The Annual Taylor Stake Rose Prom was held Friday, 18th, at the Recreation Hall in Raymond. Guy Foote, the Stake Explorer leader, gave a hearty welcome to about 130 Mia Maids and Explorers after which they all sat down to a delicious hot banquet served by the joint Mutual Stake Board. The Second Ward girls had made beautiful table decorations which added much to the festivity.

Rita Larson of the Magrath First Ward acted as Master of Ceremonies for the following program -

Piano solo - Wayne Tollestrup, vocal duet - Janice Rudd and Phyllis Salmon, Skit - by Magrath Second Ward Mia Maids, Chorus - Mia Maids from Coutts, Male Quartet - Raymond Second Ward, Chorus - Magrath First Ward Mia Maids, Pantomime - Stirling Explorers and Mia Maids, Saxophone Solo - Dixie Toomer. After this very interesting and varied program, Gordon Stone conducted a floor show with all the wards in the Stake participating. Dancing concluded the evening's entertainment.

Winter Wedding For Colleen Harker And Robert McKean

A pretty winter wedding of interest took place when Colleen daughter of Mr. and Mrs. Gerald Harker of Raymond became the bride of Robert H. McKean, son of Mr. and Mrs. Harold A. McKean of Lethbridge. The wedding took place at the home of the bride's parents Nov. 10 in the evening with Bishop Bruce Galbraith performing the ceremony.

The bride looked lovely in a semi-formal of flocked nylon sheer, over mauve with mauve veil and carrying an umbrella that matched her gown adorned with pink roses.

Mrs. Helen Harker Pereverziff was Matron of Honor and Best Man was Eddie Kabota. Centering the bride's table was a beautiful three-tiered wedding cake. The guests enjoyed a delicious turkey dinner.

(continued on page two)

Mr. and Mrs. Lawrence Babb have purchased the old McKean home from Heber Allen and expect to move in in the near future, after some renovating has been done.

Raymond To Be Home For Mr.-Mrs. D. Matsugi

Raymond is to be the home of Mr. and Mrs. Dairo Matsugi, whose marriage took place on November 23, in the Buddhist Church here.

The bride is the former Setsuko Ikeda, daughter of Mr. and Mrs. G. Ikeda, and the groom is the son of Mr. and Mrs. M. Matsugi, all of Raymond. Rev. Nekoda officiated at the ceremony which was followed by a reception in the Marquis Hotel in Lethbridge.

The bride wore a full-length gown of lace and net over satin. Her head-dress held an illusion net veil and she carried a bouquet of roses and mums.

Alice Moriama was the maid of honor and wore a yellow net over taffeta gown. Toshiko Hosaki was bridesmaid and wore a white and blue net over taffeta gown. Each carried a bouquet of mums.

Assisting the groom as best man was U. Saka and Spud Kitagawa was usher.

IN MEMORIAM

S-D Day

Canadian drivers' records are worse than those of their U.S. counterparts.

This fact is born out in statistics released by Canadian Highway Safety Conference which is currently promoting Safe Driving Day in an effort to cut down on the annual toll of wasted lives and destroyed property.

With population and miles-per-driver taken into effect, Canada's traffic accident record is tragically higher than that in the United States. W.M.V. Ash chairman of the Canadian Highway Safety Conference said, "Although U.S. casualty figures always dwarf those of Canada, when figured on a population basis, Canada's record comes out a poor 30% higher," Mr. Ash said.

"During the past 20 years, 30,000 Canadians have been killed in accidents. And the records are getting worse. Unless preventive steps are taken, the next 30,000 will be killed in 10 years."

Prime victims of auto accidents, the figures show, are young people. Last year, traffic accidents killed more people in the 3-40 age group than all other causes combined.

During 1954, traffic accidents cost \$100 million. That's far more than was lost as a result of Hurricane Hazel or the Winnipeg floods.

In the same year 2,586 persons were killed in highway and urban traffic accidents. And at least that many more were totally and permanently disabled meaning a loss in earning power and a financial burden on family and community which runs into millions of dollars a year.

The Highway Safety Conference has hopes, and definite plans, for cutting this toll from its present height down to a bare minimum.

To show that a total and complete end is possible, although admittedly not probable, the Conference is sponsoring the first cross-Canada safety drive.

The drive, Safe Driving Day, will be linked with S-D Day in the United States and will appeal to each person who ventures onto a street or highway, whether a pedestrian or motorist to keep out of accidents for a day. If accidents can be eliminated, or even cut drastically, for that day alone, it will prove that the program can be repeated on an individual basis for 365 days a year.

Prime Minister St. Laurent has proclaimed December 1 as S-D Day in Canada and most communities across the country have joined in the one day drive.

School Report

On Monday, November twenty first the Junior High School students were privileged to go to Lethbridge to the Black Hills Passion Play with Joseph Mier portraying Christ. Three buses from Raymond and numerous cars carried the many students to the L.C.I. in Lethbridge. Surely everyone was deeply impressed by the play. Every scene was touching and beautiful. Two of the most spectacular scenes were Last Supper and the scene of Christ and the two robbers being crucified. They were marvelous. Those who missed this play really missed a wonderful show.

No doubt many of you have heard of the "Hagg Club" formed by about twenty R.H.S. girls. Honestly, these girls are driving the teachers to their wits end. Last Friday the eighteenth of November, the Hags had to make everyone notice them by all wearing ribbons to school. Imagine, High School students wearing little bows! Oh well, that's the Hags for you. Then on Saturday night the Hags met in full force, —plus two, —at Joanne Ralph's home where they ate, dyed hair, ate, elected a presidency and ate. They also tried to make themselves beautiful by giving each other facials, plucking each others eyebrows all out, painting each others eyebrows and eating candy. A fattening evening was enjoyed by all.

— Annette Lybbert

A nice crowd met after the usual Sacramento Meeting of the Raymond Third Ward to hold a farewell testimonial for Alan Stevenson who will be leaving soon to fill a mission in Australia.

Vivian Preston, of the Missionary Committee, took charge of the meeting and presented the following program: Talks by Aziel and Lulu Stevenson - father and mother of the future missionary, Solo - Kay Salmon, Talk - Alan, Girls Double Trio. Main speaker was Ralph Walker. The Missionary Committee gave Alan a Family Record Book, which was presented to him by Clifford Dahl. The benediction was given by Ronald Stevenson Alan's brother.

Karl and Wallace Wilde and Arlie Hudson left last Monday on a big game hunting trip in the Crow's Nest Forest Reserve, where they will be joined later by Bruce Galbraith and Bud Sanford of Lethbridge. When they return, their wives expect them to bring home more than 'tall stories.'

The Glee-ette Music Club met on Monday, Nov. 21st at the home of Margaret Taylor.

Christmas songs were practised under the direction of K. Keeler with Mrs. Taylor at the piano. Lunch was served by the hostesses, Margaret Taylor and Dorothy Neilson.

Fern Miller of Calgary is visiting in Raymond with her brother and sister, Mr. Grant Dudley and Rita Rasmussen.

A Social was held Thursday 17th by the Sixth Elders Chorus of the Raymond Second Ward. The evening was opened by an hour of fun and games, supervised by Cella Navratil. A musical program provided by the younger members of the Ward was enjoyed by all, after which a bountiful lunch was served by the men under the management of Raymond Jensen, Grant Heggie and Keith Nilsson.

Joe Strong provided recorded music for the balance of the evening.

Bishop Evans offered the closing prayer.

The farm home of the Osh Audenaerts was the scene of a happy gathering on Sunday, November 20, when their daughter Connie celebrated her seventh birthday. About 29 children and 16 grown-ups were present to enjoy the festivities. Games were played with Bingo holding the popular place and bringing prizes to many lucky players.

A sumptuous feast was enjoyed by young and old alike. Among those present were the Fred Ralphs, Howard Browns, Mike Hofers, Stan Browns, Raymond Jensens, Morris Browns, Ruby Oslanskis and the Doug Costleys.

Arthur Y. Smith, son of Sydney B. Smith, who is with the R.C.A.F. in Ottawa, arrived here with his wife and son and daughter after a visit with his brother Alma, in Toronto and his brother Tennyson in Salt Lake City. He went by way of Chicago.

On Friday morning he left with his family for Edmonton to deliver a car to a man there and incidentally to visit his brother David.

During his month's vacation he will visit his brother Sidney, who is teaching school in Calgary, also his wife's relatives in that city. They plan on being in Raymond at the old Smith home for a week and then will leave for Edmonton again where they will board a plane for Ottawa. Arthur's term with the Air Force term, inates early in the New Year after which he is planning on going to University in the States.

It is a matter of "touch and go" as to whether his sister Madeline will be home from her two year mission in British Samoa before Art leaves for the east, but "here's hoping."

The happiness of married life depends upon making small sacrifices with readiness and cheerfulness.

Thirty-one friends recently surprised Fritz and Dorothy Dahl at their home on the occasion of their Silver Anniversary. A delicious lunch, that was brought by the ladies, was served and a silver water pitcher was presented to the happy couple.

Out of town guests were Mr. and Mrs. Ernie Jensen of Lethbridge.

STRATFORD PLAYERS

(continued from front page)

I have been asked who are these Canadian Players and what is this Stratford Festival, The Canadian players, the first touring Canadian Professional company and warrants the support of all public minded citizens. Amateur Groups everywhere should get behind this movement, if this tour proves a success then we may expect other tours by professional companies and will see good Theatre takes its rightful place in Canada, but if this tour is not a financial success then it may be years before another Company gets the courage to try again. By supporting this movement it will provide our Canadian Actors with jobs, so they do not have to migrate to Europe or United States to get work, but we will be able to keep them in Canada.

Who started this movement? a man by the name of Tom Patterson, from Stratford Ontario. From his school days he has had the idea of holding a Shakespearean Festival on the Banks of the Canadian Avon. Altho many attempts were made it was not until the winter of 1952 when he approached Stratford City Council, that the possibility of his dream materializing became probable. The story since that fateful meeting with the Council has been told many times in newspapers, magazines, radio, books and film. When backing was promised he went to Dame Mavis Moore "the grand lady of theatre in Canada" and asked her advice, she said "get Tyrone Guthrie from England to direct the Festival." This was done, and so enthused was Mr. Guthrie he said if necessary he would come without salary. They were fortunate to obtain the services of Alex Guinness star of the first Festival 1953. The story of its meteoric rise in Theatrical circles, not only in Canada but throughout the Continent is now well known.

Soon after the Festival was on its feet Mr. Patterson realized that theatre in Canada could not exist on professional summer companies alone. If Canada was to have a native theatre, then it was up to Canadians to make it possible for such Theatre to exist. With this in mind he approached Douglas Campbell, then in England with the idea of forming a winter touring company from the actors who were appearing in the Stratford Festival. Out of this correspondence grew the Canadian Players, and it is this company you will have the privilege to see in their production of "Macbeth" February first, under the sponsorship of the Taylor Stake M. I. A. Committees will set up in the near future who will handle the different phases of this exciting undertaking.

HOSPITAL BOARD

(continued from front page)

patients are to be admitted and retained in the Hospital. In fact Department of Health official have several times brought to our attention this very fact.

Thirdly, Chronic patients do not qualify for the various grants paid by the Department to the hospital on behalf active patients. This adds to the tax burden of the rate-payers supporting the Hospital again, there have been times, when beds in our hospital have been at a premium, because some chronic patients were occupying beds that could and should have been used by patients needing active treatment.

Since the Raymond Municipal Hospital is not just a Raymond hospital but belongs to the people of a considerable rural area and Stirling as well as Raymond, would it not have been a good idea to have considered all these groups before saying no to an idea which has an effect upon several other groups.

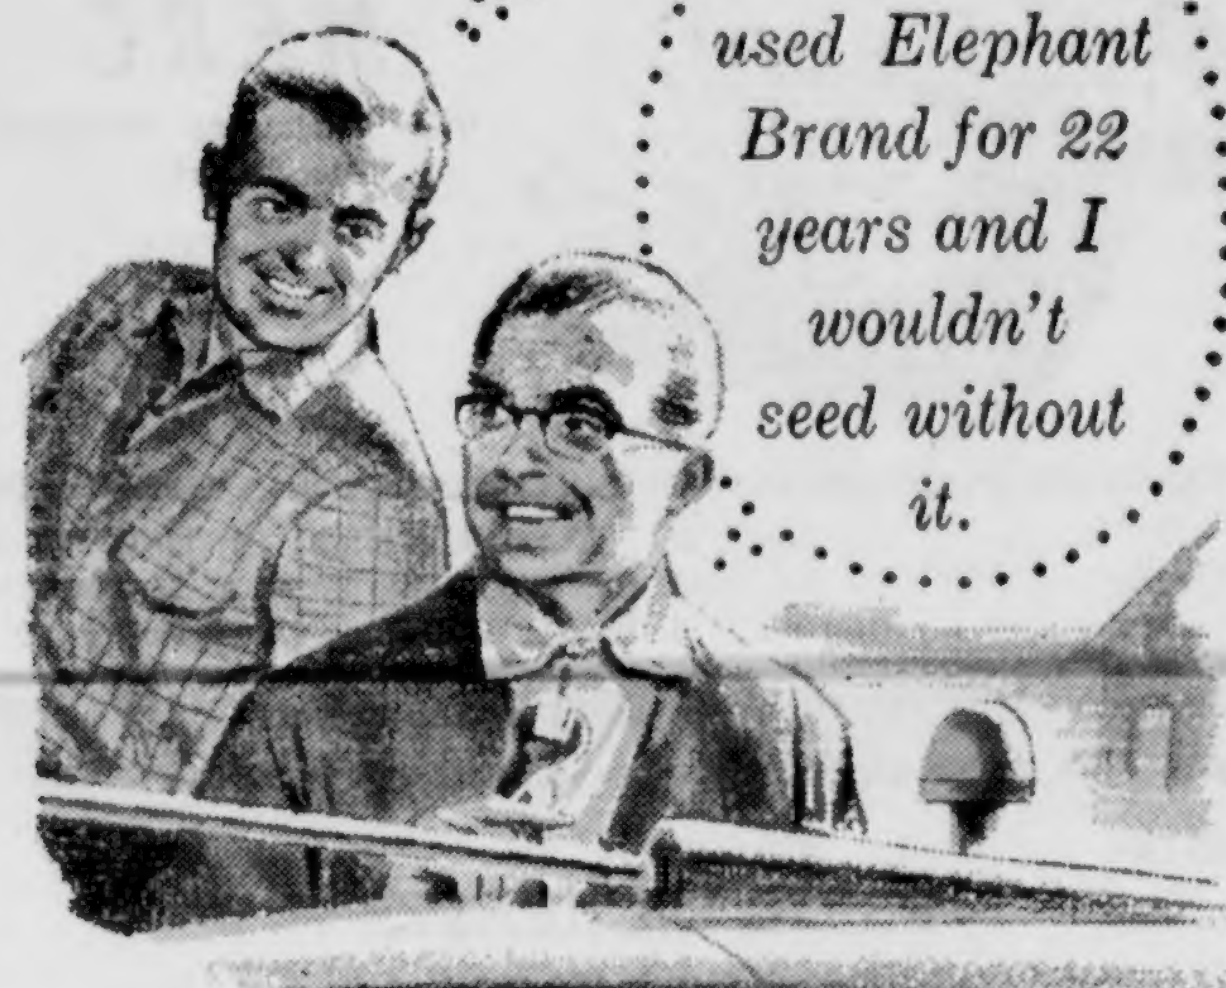

The Local Hospital Board believes this issue should remain open for further discussion and investigation, giving all interested parties a chance to air their views on the matter. Then if it seems advisable to take some further steps to take care of the situation, which can only become more acute in the future, the will of all the people will be ruling the action. UNITED CHURCH
(continued from front page)
Moscow provides the funds to send
out her literature but our Bible must
be sent out by all peoples of the demo-
cratic nations. Last year 22,229,000
Holy Scriptures were distributed by
these Bible Societies.
The Bible Society sells Bibles and
bases their price on whatever the
native can afford to pay. This is less
than one-half of the cost of each book.
The remainder must come from dona-
tions of the Christian people of all
churches.
\$1.00 will put a complete Bible in-
to the hands of a Native in India.
25¢ will put one Testament into the
hands of a non-believer in Malaya.
Other work of the Bible Societies are
to: Issue heavily subsidized Braille
Scriptures in 27 languages that the
blind may read the Word of God.
Present pocket New Testaments to
the men in our armed forces wherever
they serve.
This work is really remarkable, for
since 1804 the Society has circulated
approximately six hundred million
volumes of scripture.

Bible Classes will be held under the
direction of Rev. Dr. Scott, in the
United Church every Tuesday even-
ing at 8 p.m. Everyone is cordially in-
vited to attend.
